Sawyer County trails must be signed to be open for ATV use. State funded ATV trails are signed with Brown ATVs. County Forest roads will be signed with a black ATV sign. Most of the black signed trails are dead ends and could be challenging. Town roads/routes have green signs. Sawyer County does not permit ATV use on county land unless it is a signed trail/road.

Join your local club, become involved!

Side by Sides are allowed on all ATV Trails and Routes in Sawyer County including those located in the Chequamegon National Forest.
